Subject: RE: DOGGR electronic reporting of inventory

Good day Michele,

Sorry for not replying to you on this matter right away. We will work with Liz on this process. Kindly ask her to contact Bill Winkler, our Engineering and Research Program Manager at telephone 916-445-0806 or email at Bill.Winkler@conservation.ca.gov. His group is in charge of our well databases. I believe Liz has had conversations with Bill already regarding this matter in the past.

Thank you and regards.
